12:42-12:45 **Wrap up & Session Close**

Questions to consider

- Which of the sessions resonated most strongly for you and why?
- What were the main lessons learnt?
- Are you going to be doing anything differently as a result of the programme?
- Are there any other observations you wish to make?

Poll results from Session 1

Which of these 5 thematic areas pose the greatest challenge for your city? (answer one or many)

- Integrated & Inclusive Planning? 42%
- **Governance & Collaboration? 52%**
- Evidence-based Design & the Effective use of Data? 47%
- Project Finance & Procurement? 43%
- Implementation & Enforcement, Monitoring & Evaluation? 43%

If you could strengthen only one area, which would it be? (one response only)

- **Integrated & Inclusive Planning? 29%**
- Governance & Collaboration? 25%
- Evidence-based Design & the Effective use of Data? 13%
- Project Finance & Procurement? 14%
- Implementation & Enforcement, Monitoring & Evaluation? 19%

Next steps

- **Delivery Partners Capacity Development**) Project focused, learning by doing
- **UN Habitat SDG Assessment Tool**) Align the programme with the SDGs
- **UN Habitat SDG Knowledge Platform**) Capture lessons learnt, share best practice
- **UKBEAG Capacity Needs Assessment**) Analyse results and co-create programme
- **UKBEAG Country Focused Programme**) Tailored strategic capacity development
- **UKBEAG City to City Learning Events**) Facilitated City/City knowledge exchange

Working together to help position the programme for success.
