1. Policy
2. Capacity Building

# Abeokuta – Transport Intervention

## The Growth Context by 2035

Population of GAUA –  
2.5 million

Urban area of about  
25 kms radius

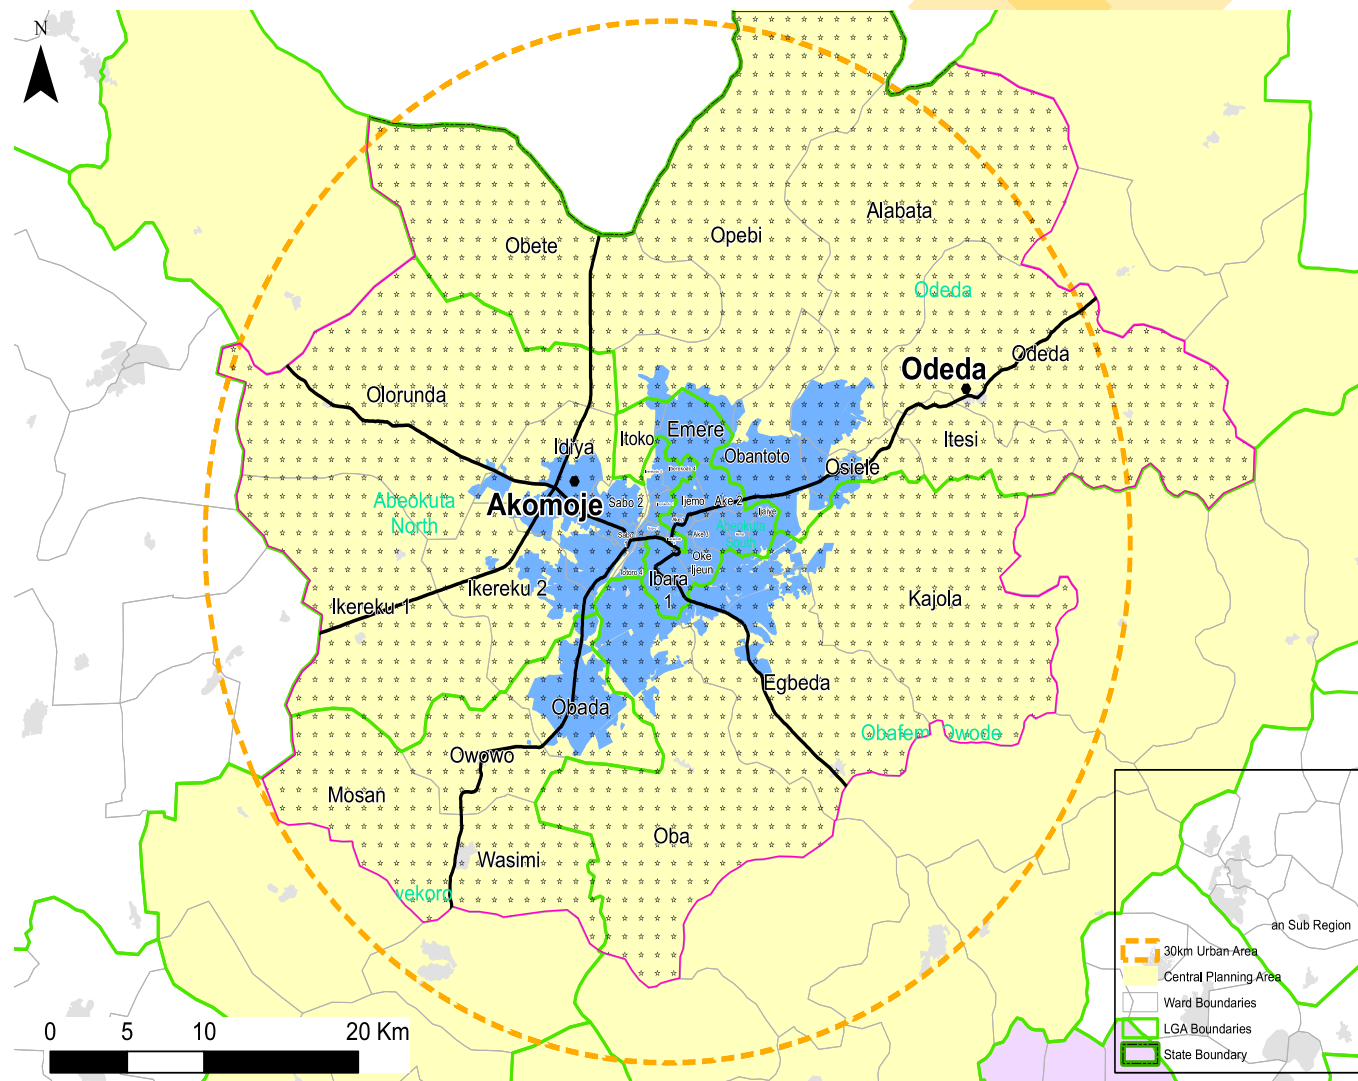

Increased demand for  
travel

Increased average trip  
length

Need to better service  
existing areas

Provide services to  
emerging new  
developments

**NEED FOR NEW  
APPROACHES TO  
MEETING TRANSPORT  
NEEDS OF GAUA.**

Greater Abeokuta Urban Area and Metropolitan Sub Region (study area)

# Urban Transport Policy
